Standard Features Included with ALL of Flash Track Lighting's Controllers (both Smart Chasers and Programmables)

- ✓ **Many Chase Patterns Built-In:** All models have the patterns you would most likely need for a light display or sign already built-in.
- ✓ **Variable Speed Control:** Dial in the perfect speed by simply turning the speed pot, located on the OUTSIDE of the box.
- ✓ **Re-Purposing Feature:** Use our special pattern settings to run a basic chase while bypassing any non-working track.
- ✓ **Expert Support Services and 1-year Full Warranty:** Automatically included with all controller purchases for no additional charge.
- ✓ **Our controllers are Commercial-Grade and Built to Last for Outdoor Use with:**
 - Weather-Resistant Aluminum Boxes (designed to withstand harsh weather)
 - Solid-State Circuitry and UL Listed Parts
 - Fuse Protection (Fuses are standard and easy to replace. 3 track model has 1 fuse while all other models have 2 fuses.)

Email us at Sales@FlashTrackLighting.com or call us at 636-391-1161 for help choosing and/or setting up the right controller for your display.
