## About Our Company, Controllers, and Service

At Flash Track Lighting, we are the Chase Light Controller Experts.

We have been designing and selling our own chase light controller models since 1996, so you can be certain that you will get a reliable, top quality controller when you buy from us.

No matter what type of display you wish to animate, we are here to help you every step of the way for no additional charge, from choosing the right controller for your display, to suggesting which chase patterns would work best with your display, to even coaching you through how to set-up your display with your controller for the desired effect.

Call us at 636-391-1161 or email us at [Sales@FlashTrackLighting.com](mailto:Sales@FlashTrackLighting.com) for expert service and to purchase your chase light controller. (We ONLY accept orders by phone or email so that we can make sure you are getting the right controller for your display needs.)

## Key Features of Our Controllers

These features are included with ALL our controllers, both smart chaser and programmable models. See our website for details.

- Plug and Play Ready with up to 125 Chase Patterns Built-In
- Variable Speed Control with Speed Pot on the Outside of the Box that Lets You Dial in the Perfect Speed
- Technical Support and 1-Year Warranty Included at NO additional charge (Warranty for programmable models is 2 years.)
- Outdoor, weather-resistant aluminum controller boxes are built to withstand the harshest of conditions
- Built with UL listed parts and fuse protected with solid state circuitry
- Large tag included for you to write your display's details (name of display, pattern chosen, wiring specifics, etc.)
- Smart Chasers have 2-prong receptacles while Programmable Controllers have 3-prong receptacles

## Controller Models and Pricing

Smart Chasers	Max Amps	Price
3 Track Smart Chaser (3TSC-10)	10	\$180
4 Track Smart Chaser (4TSC-18)	18	\$245
6 Track Smart Chaser (6TSC-18)	18	\$275
8 Track Smart Chaser (8TSC-18)	18	\$305

Programmables	Amps (Max)	Price
4 Track Programmable (4TP-18)	18 (36)	\$370
6 Track Programmable (6TP-18)	18 (36)	\$400
8 Track Programmable (8TP-18)	18 (36)	\$430
10 Track Programmable (10TP-36)	36 (70)	\$690
12 Track Programmable (12TP-36)	36 (70)	\$720
14 Track Programmable (14TP-36)	36 (70)	\$750
16 Track Programmable (16TP-36)	36 (70)	\$780
18 Track Programmable (18TP-54)	54 (100)	\$1,055
20 Track Programmable (20TP-54)	54 (100)	\$1,085
22 Track Programmable (22TP-54)	54 (100)	\$1,115
24 Track Programmable (24TP-54)	54 (100)	\$1,145

### A Few Notes on Programmables

- Quoted pricing for programmable controllers does not include programming a custom pattern. Custom-programming is charged separately and usually costs \$50 - \$75. (Price varies by project based on time/complexity.)
- All programmable models come with an 18, 36, or 54 amp maximum capacity, depending on model. Amperage listed in (parentheses) is available for a small upgrade fee.
- Programmable controllers have MANY available upgrades – see our website or contact us for details.
